APPLICATION INFORMATION

Application Name: Instream dam construction in a tributary of Whiskey Creek

Ref No: WU21607

Province: Western Cape **WMA:** Breede_Gouritz **Quat:** K60E

Sector: Agriculture

Activity: Irrigation

Description of Activities in Relation to the Water Use Application: The application commenced with unauthorised construction of an instream dam on a tributary of Whiskey Creek. They are establishing Macadamia Nut orchards and require a dam to store water for existing water allocations through a furrow system, and would like to take and store water from a new borehole.
