Dear Mr Lovemore

COMMITMENT TO THE PROCESS FOR THE DECLARATION OF LAND AS PART OF THE GARDEN ROUTE NATIONAL PARK

Thank you for expressing your interest in giving consent to the declaration of the property owned by the Lovemore Children Secondary Trust listed below (Property), as part of the Garden Route National Park (the Park) in terms of the National Environmental Management: Protected Areas Act, 2003 (Act No. 57 of 2003) (NEMPAA):

- Portion 104 (a portion of portion 53) of the farm Uitzigt No. 216, in the Knysna Local Municipality, Registration Division of Knysna, Province of the Western Cape. In extent 9,9694 (Nine comma nine six nine four) hectares, held by Deed of Transfer No. T66325/1994.

Please be advised that South African National Parks (SANParks) is in the process of conducting the necessary assessments, and preparing the necessary documentation, for the land to be declared as part of the Garden Route National Park in terms of the National Environmental Management: Protected Areas Act, 2003 (Act No. 57 of 2003) (NEMPAA).

The process leading up to the declaration of land as part of a national park is a time-consuming, and often, expensive one. SANParks therefore requires your commitment to cooperate in taking the process to finality. The process involves, amongst other things, the conclusion of an agreement wherein you consent to the declaration of the land as part of the Park (written agreement), and the conclusion of a co-management agreement, which records the negotiated management responsibilities between SANParks and the landowner. Please note that by signing this letter, you are not giving consent for your property to be included in the Park. This letter is merely an indication of your commitment to the process. Consent for your property to be included in the Park can only be given in terms of a written agreement contemplated in section 20(3) of NEMPAA. Please see “Annexure A” for an overview of the process that needs to be followed.

The following implications of the declaration of the properties as part of the Park are explicitly pointed out:

1. The management of the properties will be governed by NEMPAA. SANParks will provide you with a copy of that Act, with the relevant provisions highlighted for your ease of reference.
2. While SANParks must be appointed as the management authority for the Park, including private land that forms part of the Park, in terms NEMPAA, it is anticipated that Lovemore Children Secondary Trust will primarily be responsible for the management of the properties as part of the Park, and that SANParks will simply perform extension services: a co-management agreement could provide for such an arrangement. The co-management agreement will be negotiated with Lovemore Children Secondary Trust over the next few months.
3. The terms of the written agreement must be recorded in a notarial deed, which must be registered against the title deed of the property.

By signing this letter, you commit to the following:

1. To cooperate with SANParks in the preparation of the written agreement and co-management agreement, including providing SANParks with relevant information.
2. To negotiate the written agreement and co-management agreement in good faith, and when both parties are satisfied with the content of the agreement, to sign those agreements.
3. To sign the notarial deed once the properties have been declared as part of the Park.

We thank you again for your interest in contributing towards South Africa's national park estate. Your passion for the conservation of South Africa's natural heritage is greatly appreciated. We look forward to working with you.

Yours faithfully

ARNELLE COLLISON

SIGNED on this the 23rd day of March 2026
